### Keeper of the Obsidian Hand

You have been tasked with the duty of protecting the Obsidian Hand, a sacred artifact of the Scorpion Clan, keeping it safe from all who might take it away. This has the following effects:

- You are considered to have Dark Secret: Obsidian Hand, and Obligation: Bayushi Kachiko.
- So long as you carry the Hand on your person, you gain one rank of Magic Resistance, and may add +5 to the total of any rolls to resist Shadowlands Taint.
- Likewise, so long as you carry the Hand, servants of the Living Darkness will be reluctant to attack you. Any time you are attacked by a Shadow creature, or by a person with three or more Shadow Points, your TN to be Hit is increased by the combined total of your ranks in all four mental Traits (Willpower, Awareness, Intelligence, and Perception). This applies even when you are caught by surprise.
- While you carry the Hand, you cannot spend your last Void point.
