

Legend of the Five Rings

Champions of the Emerald Empire

This Document Proclaims That

_____ has acquired a
Maho Mask

This is a cursed item of Maho power. Placing this mask on the face of a dead body will cause the body to animate as a zombie (stats as per the L5R Rulebook/GM's Guide) which will obey the commands of whoever placed the mask. This is a deeply dishonorable act – creating a zombie in this fashion results in the loss of one full Rank of Honor.

Possessing the Maho mask, or a zombie created from the mask, costs you an automatic three points of Shadowlands Taint per adventure (including the one where you acquired it). Also, owning and/or using the mask is an act of treason against the Empire, and if anyone finds out, you will be instantly made ronin and outlaw.
