This Document Proclaims That

has been gifted by the Dragon Clan with

an Ise Zumi Tattoo

As a result of your visit to Kyuden Togashi, you have been gifted with one of the legendary Ise Zumi tattoos. You may select your tattoo from one of the following three:

[] **The Bellflower Tattoo** – You may substitute your Void rank for any Trait or Skill for a number of Rounds equal to your School Rank. You may do this a number of times per day equal to your School Rank. You may not substitute Void for skills in which you are unskilled. While this tattoo is in effect, any hostile spell cast against you gains a number of Free Raises equal to your Void Rank.

[] **The Cloud Tattoo** – You may communicate with spirits (ancestral, elemental, or nature) a number of times per day equal to your School Rank, each time asking a number of questions equal to your School Rank. However, you suffer a +5 TN penalty on all Awareness rolls (people just feel uneasy around you).

[] **The Cat Tattoo** – Once per day, you gain Free Raises (equal to the number of tattoos you possess) on all Courtier, Etiquette, and Sincerity rolls for a period of one hour.
