Bearer of the Jade Hand

You have been tasked with the duty of carrying and protecting the Jade Hand, a sacred artifact of the Crab Clan, keeping it safe from all who might take it away. This has the following effects:

- So long as you carry the Hand on your person, you gain one rank of Magic Resistance against *maho* spells (only).
- You may add +5 to your rolls to resist Shadowlands Taint. At the beginning of any adventure in which you carry the Hand, you may make a Simple Earth roll at TN 20 to reduce your current Taint (if any) by one point.
