Akodo Arasou

You have assisted in saving the tortured spirit of Akodo Arasou from the Realm of Toshigoku. As a result, he has chosen to watch over you from his new home in the Blessed Realm of Yomi.

Arasou was a mighty samurai who fought on behalf of the Lion Clan, the Emperor, and his true love Matsu Tsuko. Once per day, any time you are fighting on behalf of one or more of those three causes (the Lion, the Hantei Emperor, or true love) you gain an extra Void point. Also, your Void is considered to be one rank higher any time you fight an iaijutsu duel with a member of the Crane Clan.

Arrogance and anger were Arasou's downfall. Any time you are angered or thwarted, you must roll Simple Willpower at TN 10 to avoid flying into an uncontrollable rage. If the source of your anger/frustration is a Crane, the TN is raised to 15.
