has been given the

Fan of Doji Ameiko

Doji Ameiko, the beautiful wife of the Crane Clan Champion, has given you her fan in gratitude for your rescue of her from Kyuden Doji. It is a small paper and wood fan in the Crane blue-and-white colors and inscribed with the Doji mon.

While you carry and use this fan, you gain +1 skill die in the skills of Etiquette and Dance.

Ameiko is actually a kitsune fox spirit, and this fan is imbued with spiritual power. Carrying this fan gives you +1 kept die on Fear checks and +1 unkept die when resisting Taint or Shadow Corruption.
