Heroes of Rokugan

This Document Proclaims That

has been gifted by the Dragon Clan with
a Dragon Tattoo

As a result of your assistance to Mirumoto Daini in winning his freedom and overthrowing his maddened cousin Yukihera, you have been gifted with one of the legendary Dragon tattoos. You may select your tattoo from one of the following three:

[] **The Wolf Tattoo** – You gain Free Raises equal to your Insight Rank on all Perception rolls which can involve smell. You may also roll Simple Perception at TN 20 to track someone by scent. However, you also suffer a +10 TN penalty to resist any effect which targets your sense of smell (such as knock-out gas).

[] **The Avalanche Tattoo** – You may spend two Void points to increase your Strength by two for a number of rounds equal to your Earth. At the end of that time you become exhausted and suffer a +5 TN penalty to all rolls until you rest for 20 minutes.

[] **The White Mask Tattoo** – This frightening tattoo covers your face, and imposes a +40 TN penalty on all attempts to read your emotions or thoughts, whether by courtly skills or magic. However, you may never keep more than one die on any social rolls involving the Awareness trait.
