

Legend of the Five Rings Heroes of Rokugan

This Document Proclaims That

has been given an

Excellent Item

In reward for helping Shinjo Shono bring his treacherous father to justice, you have been gifted with one of the four following items (the player must choose an item without knowing what special properties they have):

[] Superb Light Armor. This armor is designed for use by the Shinjo scouts, and is both well-made and supple. It adds +7 to your TN to be Hit (instead of the normal +5) and awards +1 skill die in Stealth.

[] **Blessed Jingsa.** This is a jingsa (hat) made from lacquered bamboo strips rather than straw, and blessed by the monks of Daikoku. It awards +2 to your TN to be Hit and also grants you insight into the mysterious workings of money (+1 Commerce skill). It may be worn by ascetic characters.

[] **Excellent Saya.** This is a saya (sheath) for a katana. Due to its smooth and perfect design, when drawing from it on the first round of combat against a Rokugani-trained human opponent, you gain +1 unkept initiative die.

[] **Empowered Arrows.** This is a sheaf of ten normal (1k2) arrows blessed by the luchi shugenja. The arrows are imbued with Air spirits, and when fired outdoors (under the sky) streak unerringly toward their target (one Free Raise on attack roll).
