Heroes of Rokugan

This Document Proclaims That

has been given an

Enchanted Fan

In recognition of your performance at the tournament in Aojiroi Oku Shiro (Pale Oak Castle), the Phoenix Clan has gifted you with an enchanted fan. The fan is made of the highest quality silk and bamboo, and embroidered with an image of the mons of the seven Great Clans surrounding the Hantei chrysanthemum.

The fan is very resilient, able to survive much abuse without showing so much as a rip. (Fire will still burn it, and massive force, such as a sword blow, will shred it.) It awards +1 skill die to the skills of Courtier, Etiquette, and Sincerity, so long as those skills are being used to further the cause of peace, understanding, and enlightenment.
