This Document Proclaims That

_____ has gained a
Favor from the Scorpion Clan

You have been awarded a Favor by the Scorpion Clan. You may “cash in” this favor at any time, so long as you can make contact with a Scorpion NPC (or a commoner who could reasonably have Scorpion contacts, such as a yakuza or a smuggler).

The Favor can be cashed in for one of the two following results:

1. You may gain any one item (within reason) which will help you in this adventure. The item is lost if it is not used by the end of the adventure.
2. You may gain any one piece of information which will help you in this adventure.

It is left to the discretion of the individual GM exactly what items/information you gain from using this cert.
