**Naga Pearl**

The Naga calling herself “the Mara” has given you this pure and beautiful pearl, whose perfect surface seems almost to glow with an inner light. You suspect the pearl has been enchanted with the magic powers of the Cobra *jakla* spellcasters. She said only that the pearl would offer you the “help of the Naga people” if you ever needed it.

In game terms, the pearl can only be used once. Once it is used, the mysterious glow ceases, although the pearl is still quite pretty and valuable. The effect which it creates is chosen by the user at the moment it is used, and can be any one of the following:

- Gain one kept die on all rolls (attacks, damage, etc.) for one round of combat.
- Automatically succeed on any one Trait or Ring roll (not a skill roll or spellcasting roll).
- Automatically successfully cast any one spell with the maximum possible number of Raises.
