### Curse of the Dark Oracle of Air

You have been cursed by Isawa Gidayu, the Dark Oracle of Air. The curse manifests itself as a pair of bloody finger smudges across your forehead. Apart from yourself, the only ones who can see the marks are spirits and other supernatural beings, fellow victims of the curse, and Kitsu sodan-senzo.

The curse activates once per adventure, at the discretion of the GM. It also activates anytime someone invokes the name of Isawa Gidayu or the Dark Oracles in your presence. Once active, the curse summons a cloud of *kansen* (dark air spirits) which harass and distract you. Your Air Ring is considered to be one less (to a minimum of one) while this is occurring, and your TN for all physical actions is increased by 10. Also, if you are a shugenja, your TN for casting Air spells is increased by 5 x (your Air ring). All these effects continue until you spend a Void point to placate the *kansen*.

The curse can only be lifted by the intervention of a Fortune or major Kami.
