This Document Proclaims That

_____ has been able to

Awaken a Blade

As thanks for rescuing the Phoenix Ancestral Blades, you have been allowed to touch one of your own swords (katana, wakizashi, or no-dachi) to those sacred weapons. As a result, the spirits within your sword have been awakened. This has the following beneficial effects:

- The blade is considered to be a true nemuranai, and does full damage to enemies who are only hurt by magical weapons.
- Once per adventure, you may re-roll the damage from one attack with this blade.
