The Gift of the Lady of the Forest

In order to prepare for a ritual which might be able to destroy the Shadow, you have been entrusted with a gift from the mighty Kitsune spirit known as the Lady of the Forest. It is a short braid made from her hair.

While you carry the braid, you are free of the effects of all supernatural Curses except those from the Lady herself. Thus, you are protected from the Yogo Curse, Benten's Curse, the Curse of the Dark Oracle of Air, etc.

Once only, the gift will protect you from harm by halving the damage you take from a single attack.
