

Legend of the Five Rings

Champions of the Emerald Empire

This Document Proclaims That

_____ is the protector of
The Tears of Lady Doji

In order to prepare for a ritual which might be able to destroy the Shadow, you have been entrusted with five of the Tears of Lady Doji. Each of them is a piece of tear-shaped polished jade, about the size of an obi bead. The tears are extremely fragile, and must be kept carefully wrapped in silk or otherwise protected to keep them from shattering.

While you carry the Tears, you cannot Gain the Shadowlands Taint. If you already have the Taint, it reduces at the rate of one point per adventure.

If you every throw a tear at a human being, it will shatter the moment it touches their flesh. That individual will be immediately purged of all Taint.
